STATEMENT OF WORK NO. 001

CCG-SOW-2024-0417-001 — PROJECT KEYSTONE

This Statement of Work No. 001 ("SOW") is entered into as of May 20, 2024 under and subject to the Master Services Agreement CCG-MSA-2024-0417 dated May 20, 2024 between NORTHBRIDGE INDUSTRIES, INC. ("Client") and CALDERA CONSULTING GROUP, LLC ("Consultant"). Capitalised terms not defined here have the meanings given in the Agreement.

ARTICLE 1 — SCOPE OF SERVICES

1.1 Objective.

Consultant shall implement Aperion Cloud ERP 2024.2 (Manufacturing Edition) across Client's four operating sites at Akron, Ohio; Greenville, South Carolina; Laredo, Texas; and Monterrey, Nuevo Leon, Mexico, replacing Client's Meridian MRP II system and fourteen satellite applications.

1.2 Modules in Scope.

Order-to-Cash; Procure-to-Pay; Manufacturing Execution and Material Requirements Planning; Financial Accounting and Consolidation; Warehouse Management; Product Lifecycle Management.

1.3 Methodology.

Consultant shall deliver the Services in accordance with its IGNITE delivery methodology, comprising the Discover, Design, Build, Validate and Deploy phases.

ARTICLE 2 — SCHEDULE

2.1 Go-Live Date.

The Parties agree a target production go-live date of November 4, 2024. Consultant shall notify Client in writing promptly upon becoming aware of any circumstance likely to affect that date.

ARTICLE 3 — FEES

3.1 Fixed Fee.

In consideration of the Services described in Article 1, Client shall pay Consultant a fixed fee of Four Million Eight Hundred Fifty Thousand United States Dollars ($4,850,000), payable against the milestone schedule at Appendix C.

3.4 Data Conversion — Time and Materials.

Data conversion and legacy extraction services shall be performed on a time-and-materials basis at the rates set out in Appendix B, subject to a not-to-exceed ceiling of Six Hundred Thousand United States Dollars ($600,000). Consultant shall notify Client in writing upon reaching eighty percent of the ceiling.

3.6 Expenses.

Client shall reimburse reasonable travel and subsistence expenses at cost and without mark-up, in accordance with Client's travel policy as provided to Consultant.

ARTICLE 4 — ACCEPTANCE CRITERIA

4.2 Go-Live Readiness.

Consultant shall produce a Go-Live Readiness Assessment not less than ten business days prior to the scheduled cutover, evaluating the readiness criteria at Appendix D and stating Consultant's recommendation whether to proceed. The Steering Committee shall determine whether to proceed to cutover, having regard to that Assessment.

4.3 User Acceptance Testing.

User Acceptance Testing shall be conducted in two phases against the exit criteria at Appendix E. Exit from each phase requires written certification by Consultant's Test Manager that all exit criteria have been satisfied. Exit criterion 3.2 requires zero open Severity 1 defects.

ARTICLE 5 — CLIENT OBLIGATIONS

5.3 Subject Matter Experts.

Client shall make available the subject matter experts identified at Appendix F, at the commitment levels stated, for the duration of the phases indicated.

5.6 Data Cleansing.

Client shall be responsible for cleansing legacy master data in accordance with the data cleansing schedule at Appendix G. Consultant shall provide the extract and exception reporting necessary to support that activity.

ARTICLE 6 — KEY PERSONNEL

6.1 Named Key Personnel.

The following are Key Personnel for the purposes of Section 6.2 of the Agreement: Alicia Ferraro-Wong, Program Manager; Devendra Pillai, Lead Solution Architect; Marcus Thibodeaux, Test Manager.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives as of the date first written above.
