# PROJECT KEYSTONE — TEST STRATEGY AND APPROACH

Version 1.0 — Approval Page

Document Ref: CCG-KEY-TST-001  Date: August 30, 2024

This Test Strategy sets out the approach to System Integration Testing and User Acceptance Testing for Project Keystone under Statement of Work No. 001, including the entry and exit criteria at Appendix E and the defect severity definitions used throughout the programme.

The Test Manager is responsible for certifying the exit of each test phase. Exit certification is a personal certification by the Test Manager and may not be delegated or signed on the Test Manager's behalf.
